Theme for the Week: Great Outdoors!

Hello campers and parents! Summer day camp is officially beginning this week and I am so excited! This summer my staff and I will provide campers with incredible opportunities and experiences. Campers will participate in a variety of activities that are both active and inactive. We'll also be creating clubs, community service opportunities, and nutrition/fitness curriculum together for a complete summer day camp experience. —Patrick, 5-7 Camp Director

THIS WEEK'S HIGHLIGHTS

Monday

No Camp Today! We'll see you on Tuesday!

Tuesday

On Tuesday we'll be going to Irvingdale Pool from 11:30 a.m. to 1:00 p.m. Please make sure that campers have all their swimming gear including sunscreen. We'll maintain focus on the importance of reading this summer by reading for at least 15 minutes after lunch each day. Be sure to bring a good book!

Wednesday

Today we'll go to Pioneers Park from 12:30-3:00! We'll eat and explore the outdoors so please provide your camper with sunscreen. The main focus of today will be on establishing club opportunities for the campers so prepare them for Wednesday by brainstorming potential clubs they can help organize throughout the summer.

Thursday

Thursday and Friday will be out Tennis/Yoga days in the future, but this week we'll be starting with archery lead by our highly experienced staff member, Alisha. Another focused activity for the day will be discussing healthy living and how we can effectively exercise and eat right. We'll also be going to the South Branch Library from 1:00 p.m. – 3:00 p.m.

Friday

Friday will be an exciting day for campers because we'll be trying a new activity, ultimate frisbee! We'll also be playing a lot of outdoor games such as baseball and horseshoes.
